Donation info for Northeast Texas, Chapter 416, Air & Space Forces Association (AFA)

Dear Prospective Partner,

The **Northeast Texas, Chapter 416 of the Air & Space Forces Association (AFA)** is a non-profit, independent, professional military and aerospace education association that promotes public understanding of aerospace power and the pivotal role it plays in the security of the nation. Led by volunteers, we educate the public about national defense, how to support the members of our Air & Space Forces and their families and promote Aerospace Education designed to better our youth, communities, and nation. Our chapter area represents Northeast Texas from Rockwall, East to Arkansas, North to Oklahoma and south to the Athens area.

The chapter strives to positively impact communities. The chapter encourages and supports STEM (Science, Technology, Engineering, and Math) activities and school education programs. We provide support for robotics, drones, solar cars, early college training, girls, and other programs. We employ the AFA developed CyberPatriot and StellarXplorer programs and provide support to schools who use them. We provide some financial, industry, and member support to school and Civil Air Patrol (Air Force Auxiliary) programs. We offer school program grants and funding for their educational programs as well as offer student scholarships through AFA and through our annual high school senior essay contest.

We are only able to positively impact communities through the support of our partner contributors and community partners. Please, come join and help us make a difference!

AFA is a 501(c)(3) organization, and donations are tax deductible. Chapter 416 is its own entity, and its Employer Identification Number is 51-0209545 and is officially listed as Air Force Association, Greenville, TX, in IRS records. A copy of our 2024 W-9 and our 2023 Annual 990-N, e-Postcards, are on back of this letter and on file with the IRS and can be viewed at <https://apps.irs.gov/app/eos/details/>.
