

Wolfe City High School / <http://www.wcisd.net> / ADDRESS: 8353 TX-34, Wolfe City, TX

Events will be Science Experiments led by Mandy Eckhardt, UT Southwestern student.

Learn more about Mandy here: [Dec 2025](#) – Story on Mandy Eckhardt

She is doing experiments with students in six different classes.

Students will be in grades X-Y and about 20 per class.

Your role would be to observe, take photos to share with Chapter, and to assist in any ways that present themselves. Mostly this is so you can see what Mandy does and see how our chapter work impacts our communities and students.

You could go for one or more sessions as your time allows.

Parking is in front of the high school and visitors will need their drivers license to obtain, in the front office, a visitor's badge to be on campus. You will need to sign in at the front office and notify them you are there for **Teacher, Richelle Carr's, classes** and they will take you to her class. As you can see, the times are locked in so please be sure to arrive 10-15 minutes ahead of time to get signed in and to the class.

Times for classes

1. 1st period 0750-0840
2. 2nd period 0843-0933
3. 3rd period 0951-1048
4. 4th period 1051-1141
5. **5th period Break from 11:44-12:48pm**
6. 6th period 1251-1341 / 12:51 – 1:41pm
